Students are required at all times to maintain high standards of private and public conduct on campus and at College sponsored events. Any activity of a student, on or OFF campus, which presents a clear and present danger to the college community will subject that student to interim suspension from the college pending a hearing. Students arrested or cited by law enforcement officers can be placed in this category. Informal gatherings of students, which result in misconduct and criticism, against the student body or College, will be investigated.

As a commuter student, you need to be respectful of the community that you will be living in and realize that your neighbors deserve the same privacy and respect that you do. Reported disruptions and complaints from neighbors or local law enforcement will result in a required visit to the Dean of Students' Office. Upon two complaints being filed, the landlord and all residents will be called in to meet with the Dean and City Police Chief. You should be aware that the Mars Hill Town Police and the Madison County Sheriff's Department will write citations for under age drinking and disturbing the peace.
